

MICRORIVVATE METAL PVT. LTD.

YOUR COMPLETE INVENTORY SOLUTIONS

An ISO 9001:2015 Certified Company

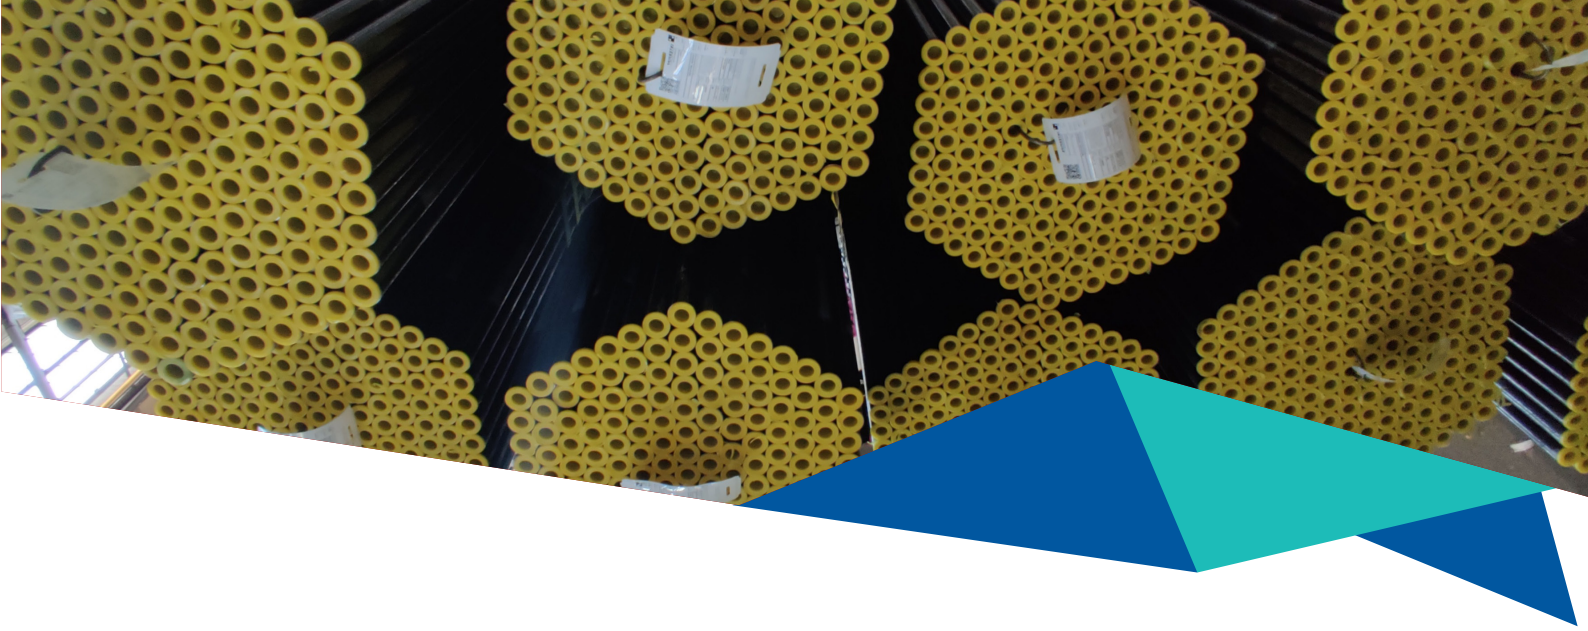

ABOUT US

Our legacy traces back to 1995 when our Founder Director, Mr. Ram Naresh Sahani, initiated business in Carbon Steel Pipes with a Proprietorship Firm, M/s Tube Sales Corporation. In continuation a need was felt to expand the business and therefore M/s Microrivvate Metal Pvt. Ltd. (MMPL) incorporated in the year 2018 with a motto to provide quality material to end customer for their project requirements.

At present, we are a leading piping solutions provider, specializing in project packages comprised of pipes, fittings, valves, related accessories and Drilling Products / Services. We provide solutions for large projects in the oil, gas, energy, chemical, water and construction sectors.

We have developed a team of professionals having rich and varied experience in Line pipe industry and thereafter proven itself as a preferred piping package supplier to the Oil & Energy Sector not only in India but overseas also.

Warehouse At Kalamboli, Mumbai

Our state-of-the-art Warehouse Facility having a Custom-Bonded area of
